The Mountain View School of Taekwondo teaches the traditional Korean style of taekwondo, similar to Japanese karate.

We're a non-commercial school so a three-month session costs only \$40. No preregistration required - just come to the Auxiliary Room at the Whisman Sports Center, 1500 Middlefield Road, on Tuesday and Thursday evenings at 7:00 PM.

Get a great workout, techniques for self-defense, and increased self-confidence!
